

Get the Charts the Pros Use

**Ninth Edition
Ships July 20th**

At a Price Everyone Can Afford

Now in its ninth edition, the Topline Encyclopedia of Historical Charts has become the standard reference of investment pros and individual investors.

Expanded and Improved

The first edition offered 216 charts in 20 volumes.

The ninth edition offers 360 charts in 30 volumes!

New Low Pricing

The first edition was priced at \$499.

The ninth edition is only \$249!

Topline's Best Charts ...

Only the most useful charts from Topline's immense database are included in the Encyclopedia.

... at Quantity Prices

Because these charts have been pre-selected we can offer them at a huge discount from our custom chart prices.

A three-ring binder with pre-printed dividers is included with every ten volumes ordered.

Topline Charts are Designed for Investors

Since 1988, Topline Investment Graphics has supplied investment professionals with the highest quality, custom graphics available.

What Our Customers Say

"These are the best charts I've ever seen."

W.J., Eugene, OR

The Pros Agree

"Here's the long-term perspective needed by most investors."

John Murphy, CMT
Technical Analyst, CNBC

"Topline has unique data, and presents it in a way that makes analysis easy."

James A. Bianco, CMT
Director of Research
Arbor Trading Group Inc.

Features

Long-Term Historical Data

Up to 120 years of weekly data on one chart.

Unusual Perspectives

Innovative juxtapositions and meaningful comparisons provide valuable perspectives on money and markets.

Exclusive Chart Formats

Specifically designed for financial markets.

Innovative Studies

Constant dollar charts strip away the distortions of inflation.

Convenient

Every order includes a complete Table of Contents and Index.

Easy to Understand

Clean, simple designs avoid distorting or obscuring the data.
